PATH – Parents and Teachers of HAST

Old Business

Pictures of Valedictorian, Salutatorian & Top 10 listings – our school does not have that displayed anywhere. Why? We currently have 6 or 7 graduating classes. We can still go back & obtain pics as well as the list of the top 10. There is plenty of room on the walls in the foyer which is a central place that everyone can see. Again, this may inspire some to get their name on the wall.

New Business – Jackie Perez is the parent rep for the HAST school board. She would like to hear from more parents. Again, this year was different since the students were not in school and there were minimal events, the parents were not as accessible. Please email her at jackieperez0421@icloud.com if you have anything you would like to present to the board. She is our liaison to the board.

Motion to adjourn the meeting at 6:30 by Erica Johnson, 2nd by Angie Christensen, ALL in favor
